#### HILDRETH IS KEEPING IT UP

LEADING AMERICAN OWNER WINS HIS DAILY STAKE AT GRAVESEND.

Winning of Speculation Stakes Little More Than an Exercise Gallop for Firestone-King's

Daughter Scores in Handicap.

New York, September 15.—Wholesale scratching reduced the two principal races on the card at Gravesend today to two and three-horse affairs. The Speculation, at a mile and an eighth, because of its selling conditions, became an owner's handleap, and S. C. Hildreth entered his \$10,000 horse. Firestone, for \$1,500. This undervaluation secured for him the light impost of 111 pounds. Wise Mason, entered for \$2,100, was Firestone's only opponent for the \$15,000 purse. The vargaries of race-track speculation were strikingly illustrated by the market on the race, which had the Newcastle representative favorite over his immeasurably superior adversary. The public, however, was not beguiled into supporting a favorite of the ring-made variety, but backed Firestone at the more lucrative odds. This good horse never had an easier task assigned to him than to beat Wise Mason. It is getting to be a daily occurrence to see Hildreth's colors in from the factor of the factor of the seed of the seed of the seed of the factor of the seed of the

A crowd gathered about the stewards' stand expecting a claim of foul of some sort at the finish of this race, but the placings were speedily confirmed; in fact, the confirmatory signal was disblayed before Turley weighed out. Philip J. Dwyre himself saw to it that his weight was correct.

#### NURSERIES AT THE DERBY MEETING.

Referring to some features beculiar to the recent meeting at Derby, England, a London letter to the New York Herald says.

"The fact that the Derby autumn fixture almost invariably embraces September 1 is responsible in no small measure for the success and popularity of this particular fixture, because from this day forward handicaps for two-year-olds become legal. These handicaps, for some reason not easily explained, have come to be known in England as nurseries, but in Scotland races for two-year-olds which are not handicaps are also called 'nurseries,' and anyone who was inveigled into laying a wazer that no 'nursery' was permissible under the rules of racing before September 1 would lose.

"The chief event of this description at Derby is the Devonshire Nursery Handicap, which has been won by many a good horse, and it was in this race that \$1. Simon made a sensational entry into public life in 1883. His owner, Prince Batthyany, having died, the colt's enzagements were rendered void, so there was nothing for it but to put him in handcaps. He carried top weight and won in a canter. The handicap of recent years has time after time been won by a youngster carrying top weight.

"East year Battlease won wit 126 pounds unsafterwards renamed to summard the colors of Mr. H. Collins. The same owner was victorious again on the present occasion, Sunshine, also carrying 126 pounds, racing all his opponents to a standstill and winning in a canter. There were twenty staters, and it was a magniferent triumph.

"Sunshine's nearest attendant at the finish was Mr. August Belmont's American bred Fond Meaories, the daughter of Octagon and Fond Hopes, which was receiving fifteen pounds from the winner, thus failing to follow up her Liverpool success. Another American bred for the races over here, two of which he has won,"

#### THE HITCHCOCK STEEPLECHASE VICTORS

Today brings about the twelfth running of the Hitchcock Steeplechase, it being the only stake race on the Gravesend program. It was in this event that the great weight carrier, Dr. Catlett, gave a fine shibition of his signal ability in that specialty by winning with the crushing impost of 173 pounds. The horses coming nearest to this notable feat were Coligny and Thistedale, each of which scored; trumph in the Hitchcock when carrying 162 pounds. Other capital steeplechasers that took their turn in winning it were Woodpigeon, Pluto, Zinziber, Fulminate and Phantom. The record of the event is at follows:

#### SEASON'S HONORS WILL FALL TO DUGAN.

California Lad Far in the Lead in Respect to Winning Mounts on Eastern Tracks.

ning Mounts on Eastern Tracks.

New York, September 15.—Eddie Dugan will have no troable in carrying off the riding honors on the eastern tracks this year. He has been riding steadily, barring a suspension now and then, since Pimlico opened in April, and in spite of the talk about rough riding he has a larger following among horse players than any other jockey. From the time that he began riding at Pimlico up to the close of the Sheepshead Bay meeting, Dugan's record is 80 winners, 70 seconds and 50 thirds, out of 244 mounts on the eastern tracks. He has worn the sliks of practically all the leading owners, including Angust Belbort, James R. Keeney, & C. All Hounts on the eastern tracks. He has worn the sliks of practically all the leading owners, including Angust Belbort, James R. Keeney, & C. All Hounts on the eastern tracks. He has ridded the best sorses in training. But at that there appears to be some doubt whether Dugan is a better jockey than Vincent Powers, Jimmy Butwell or Eddie Taplin, Before Powers was placed under the ban by the Jockey Club stewards he convinced eastern patrons of the turf that he was a finished horseman. Taplin, like Powers, did not ride at the earlier meetings in the east. He was introduced to the metropolitan public at the end of the Sheepshead Bay spring meeting by H. G. Bedwell, and during the subsequent session at Empire City the boy created a sensation. He went up to Saratoga to score other successes, but when Bedwell was asked to put a price on the jockey's contract he declined and took Taplin to the Canadian circuit with him. It is bidieved that if Powers and Taplin had started riding at Pimlico when Dugan began his campaig and had converted to the canadian circuit with him. It is bidieved that if Powers and Taplin had started riding at Pimlico when Dugan began his campaig and had are concerned.

Butwell, probably the strongest finisher on the turf at present, but an inferior post rider, stands second to Dugan, with 45 winners, 39 seconds and 25 thirds. Creevy, who was a gr

#### WIDENER TO CONTINUE RACING ABROAD.

WIDENER TO CONTINUE RACING ABROAD.

Paris, September 15.—J. E. Widener's trainer, Howard Lewis, says that there is no truth in the report that Mr. Widener intends to abandon racing in France. His welcome here and the treatment he has received from the leading men in the racing world as well as from handleappers and other of him through racing, all the leading that has some to him through racing, all the leading that has some for him through racing, all the leading that has come to him through racing, all the leading to his admiration for the way racing is carried on in France, has determined him to remain.

He is satisfied with the success he has met with to date, although Lewis admits that the ten American horses he brought to France were not of firstrate quality. Five have been sold and replaced by French horses. Widener does not want to dissociate bimself from American racing and will keep horses in training for America. He is always ready to do his share toward the support of racing there, he says.

San Francisco, Cal.. September 15.—So far as can be ascertained, reports emanating from New York to the effect that stake books for a winter-meeting at Oakland race track may be in circulation within a week are without foundation in fact. #### KING EDWARD'S JUVENILE MATERIAL.

London, Eng., September 3.—This is the season of the year when there is a roundup of the royal yearlings and the promising stock is brought to Egerton House from the royal stud at Sandringham. Richard Marsh, who trains the king's racers, selected a dozen in all, the colts and fillies being half and half. Four of the colts are in the 1911 Derby and St. Leger and five of the fillies are in the Assand St. Leger of the same year. One of the most remarkable of the new batch is a filly by Amphora, the dam of Perrier. She is one of the last gets of St. Simon, whose skeleton has recently been mounted and preserved.

Of the colts only one has been named, and he is by Cyllene, out of Nadejda, the last foal of the famous Perdita II. He has been named Dorando at the suggestion of Queen Alexandra, who was taken with the pluck of the Italian runner in the Marathon last year. He is in the Derby and St. Leger. One of the six fillies has been named Perbolis and she is a bay by Persimmon, out of Medora, and is in the Oaks and St. Leger. There are two others by Persimmon and a couple by his defunct brother. Florizel II. Outside of the dead Sandring ham sires, others patronized are two by Robert le Diable, one a colt out of Sweet Yernal and the other and the colt of April Princess. There is a bay filly by Thrush out of Ecila, consequently a half-sister to Princess de Galles, and another chestnut filly by Gallinule, out of Laodomia.

It is understood that the king is delighted with the additions to his racing stock. Lord Marcus Beresford and Richard Marsh think highly of the youngsters. In sixteen years the royal stable has won the Derby three times, and that in itself is a splendid record.

#### SHEEPSHEAD BAY'S PLEASING RESULTS.

New York, September 15.—Schuyler Parsons and Francis R. Hitchcock, respectively president and treasurer of the Coney Island Jockey Club, were more than pleased with the results of the autumn meeting, which came to an end at the Bay Monday, "We did not lose money," Mr. Parsons says. "I think our books may show a small profit when they are balanced. But in its other aspects the meeting has been so good we would not have felt badly if we had lost a little. The size and character of the crowds which have seconded our efforts to keep racing on a high plane have been keenly gratifying to us. Our clubbouse attendance has been remarkably good and our patrons have been representative men and women. I am convinced that the metropolitan tracks that are to hold fail meetings after us will be as successful as we were, and conditions next year should be better all around. We intend to advance the values of purses and stakes as rapidly as we can and since we will have no heavy obligations of long standing to meet next season we will be able to distribute our money more equitably than we have this season."

Montreal, Que., September 15.—The Montreal Jockey Club provided its patrons a splendid program this afternoon and interesting contests resulted. The card was made up of seven races and had as features the Welcome Home Handicap, which brought together some of the best sprinters hereabouts, and the Civic Holiday Steeplechase Handicap, The fields were evenly balanced throughout the day, with the result that the public found the task of picking winners no easy matter. Two favorites, Patsalaga and Grande Dame, were among the afternoon's winners. George Holle's speedy Colloquy proved successful in the Welcome Home Handicap. She showed keen speed and led her opposition from start to finish, beating Charlie Eastman for first by a scant length. New York, September 15.—Jack McGinnis, who will sell Shannon, Charlie Hargraye, Notasniga, Captain Swanson, Cotytto and his other horses at auction on September 23, will use the proceeds of his sale to defray the expenses of a trip to Buenos Ayres. McGinnis will take trainer John I. Smith and his apprentice jockey, Ural, to the Argentine and he may buy some horses for them to train and ride. McGinnis has had little luck this season. The death of Frank Gill at Gravesend last spring was a blow to him, and since then everything has gone to the bad with him.

#### VERSATILITY OF THE THOROUGHBRED.

"Are these gallopers ever good for anything else?"
The question was addressed to one of the oldtimers at the Windsor track at Detroit.
"I think there is nothing they cannot adapt them
selves to." was his reply.
"Now out here there is one owner who is also a
brewer. He has one of the largest breweries down
south. He has a big stable of thoroughbreds up
north. Every once in a while a horse will go wrong.
The animal might hurt a tendon or injure himself
otherwise while going at great speed. He becomes worthless for racing purposes, so this brewer,
ships him south and the galloper is assigned to hauf
beer through the streets.
"There are many the streets saddle. I know several
people will have a saddle horse and the ranning tracks.
"There are many the streets.
"As for a saddle horse, I wouldn't have anything
outside of a thoroughbred. I think they make the
best saddle horses in the world. You say that they
have a habit of going at full speed. That's true.
You buy a thoroughbred and start him in for saddle
purposes and you will soon discover that he has carried the habit he has learned at the barrier with
him, but you can easily break him of that. You
will discover that the thoroughbred is the keenest
animal on earth and that he can be easily broken of
any habit. Of course, he will not show you any
fancy gaits, but you can depend on him, and that is
more than you can say for the majority of saddle
horses."

#### AMERICANS HARSHLY WEIGHTED.

Comparative Imposts Assigned Horses in the Cesare witch and Cambridgeshire Handicaps.

London, Eng., September 5.—Weights for the great autumn handicaps are published and are being anxiously discussed by those interested. They include the Cesarewitch and Cambridgeshire at Newmarket; Duke of York Stakes at Kempton Park; Autumn Handicap at Hurst Park, and Newbury Autumn Cup at Neibury. Quite naturally the Cesarewitch and Cambridgeshire come in for the most consideration. No American horses, except Sir Martin, 112 pounds, are in the Cesarewitch, but quite a representation marks the Cambridgeshire. It can hardly be said that these have been deprived of any chance winning, but it can be correctly asserted the winning. But it can be correctly asserted to make it difficult, to say the said that the said to the said that the said that the said to the said that the said that the said to the said that the said t

#### NOTES OF THE TURF.

Bobbie Kean pulled up lame in the race over the ass in which he was a starter at Sheepshead Bay

grass in which he was a starter at Sheepshead Bay Thursday.

W. F. Schulte's Zienap and Gliding Belle have been transferred from Sheepshead Bay to Belmont Park to be freshened up for the fall meeting at the latter track.

It is said that the Cella interests are quite willing to close out their holdings at Latonia providing they can get what they consider fair value for their share in the property.

W. H. Fizer is in the east to stay the season out with nine horses. His best are the two-year-olds, by white, My Gal and Jack Straw. Jimmy Butler, who rode Pinkola to victory for Mr. Fizer in the Empire City Handicap, will ride for him this fall.

John Coyne has sent the jumper, O. K., to his owner's farm on Long Island, Coyne thought at one time that he had a coming 'chaser in O. K., but the horse has disappointed him. Coyne says that if O. K. becomes a first-class fencer it will be under some other man's tutelage.

#### ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

J. K., Newport, Ky. The bet lost.

J. C. M., Cincinnati, O. That query calls for too much research.

J. W. L., Louisville, Ky. The disqualification C. C. Chicago. You should be paid 4½ to 1 of Juggler in his race of September 11.

F. M., Cincinnati, O. The parlay lost. The obvious intention was to back Juggler in race 84728 Eugene C., Cincinnati, O. No such thing as you suggest could take place in racing. Arasee was properly entered, was not scratched, started and ran last.

W. H. R., Detroit, Mich. That matter was rected some time ago in "errata" of the mon book. In race 83723 Byron should read Bryan refer to 73948. S. T., St. Louis, Mo. The layer's contention is correct. When Summer Night was scratched from the race specified for her to start in, the parlay became void as to her.

Winner—B. m. by Russell—La Tour (trained by G. Ham).

Went to post at 3:51. At post 1 minute. Start good. Won driving: second and third the same. Colloquy, off forwardly, dashed to the front and, after racing Pajaroita into defeat, had enough left to stail off Charlie Eastman's rush in the stretch. Charlie Eastman came through on the inside and made a game effort at the furlong post, but tired in the final drive and just managed to outstay Hasty Agnes. The latter broke slowly, but gained steadily after reaching the far turn and closed up gamely in the last quarter. Prince Ahmed was always outpaced, but finished well. Pajaroita showed speed, but failed to
